-NONE-				

III. THE CHAPTER 13 PLAN: PAYMENT OBLIGATIONS OF THE DEBTOR.

A. Payments from the debtor to the chapter 13 trustee (the trustee): The debtor submits to the supervision and control of the trustee all or such portion of future earnings or other future income as is necessary for the execution of the plan. In addition, the debtor will pay to the trustee any portion of a recovery under a pre-petition claim or cause of action that constitutes disposable income or is not exempt.

The debtor shall pay to the trustee the sum of \$ 600.00 per month for 9 months, followed by \$650.00 per month for a period of 8 months, followed by \$260.00 per month for a period of 43 months unless all allowed claims (other than long-term claims) are fully paid pursuant to the plan.

B. Payments from the debtor directly to creditors: The debtor shall pay all post-petition priority obligations, including but not limited to taxes and post-petition domestic support, and pay regular payments on assumed executory contracts or leases, directly to the holder of the claim as the obligations come due, unless otherwise ordered by the Court. The debtor may be required to pay some or a portion of pre-petition debts directly to a creditor in addition to required payments to the trustee, as indicated in paragraph II(D) above and/or in the paragraphs that follow.

IV. PLAN DISTRIBUTIONS TO CREDITORS. To receive a distribution from the trustee, a proof of claim, including adequate supporting documentation, must be filed with the Court. If a claim designated in this plan as secured is filed as an unsecured claim and the plan is confirmed, the claim may be treated as unsecured for purposes of plan distributions by the trustee. If a creditor files a proof of claim alleging that the claim is secured, but does not timely object to the confirmation of the plan and the claim is treated as unsecured in a confirmed plan, the claim may be treated as unsecured for purposes of plan distributions by the trustee. Confirmation of this plan does not bar a party in interest from objecting to a claim. The trustee, after the deduction of the trustee's commission and expenses, or the debtor, as indicated, shall make payments as follows:

A. Attorney for the debtor:

1. The debtor and the debtors attorney have agreed to an attorneys fee in the amount of \$ 3500.00 for the services identified in the Rule 2016(b) disclosure statement filed in this case. The amount of \$ 690.00 was paid prior to the filing of the case. The remaining fee shall be disbursed by the trustee as follows: Following confirmation of the plan and unless the Court orders otherwise, the trustee shall disburse \$1,000.00 to the attorney from the initial disbursement.⁴ Thereafter, the balance of the attorneys compensation as allowed by the Court shall be paid, to the extent then due, with all funds remaining each month after payment of allowed secured claims and pre-petition arrearages on domestic support obligations. In instances where an attorney assumes representation in a pending *pro se* case and a plan is confirmed, a separate order may be entered by the Court, without further notice, which allows for the payment of a portion of the attorneys fees in advance of payments to creditors.

2. If, as an alternative to the above treatment, the debtors attorney has received a retainer and cost advance and agreed to file fee applications for compensation and expenses in this case pursuant to 11 U.S.C. § 330, the retainer and cost advance shall be held in trust until fees and expense reimbursements are approved by the Court. Prior to the filing of this case, the attorney has received \$_____ and for plan confirmation purposes only, the fees and expenses of counsel are estimated at \$_____ or less.

B. Secured Creditor Claims: The plan treats secured claims as follows:

4

The chapter 13 trustee shall not at any time disburse to the debtor's attorney more than: (a) the unpaid balance of (1) the fee to be paid under the plan pursuant to paragraph 1 herein, or (2) the fee previously applied for and authorized pursuant to paragraph 2 herein, plus (b) any supplemental fee then applied for and authorized under the terms of the applicable Procedures for Approval of Attorney's Fees in Chapter 13 Cases.

1. General Provisions: The terms of the debtors pre-petition agreement with a secured creditor shall continue to apply except as modified by this plan, the order confirming the plan, or other order of the Court. Holders of secured claims shall retain liens to the extent provided by 11 U.S.C. § 1325(a)(5)(B)(i). Secured creditors paid the full secured claim provided for by this plan shall timely satisfy any liens in the manner required by applicable law or order of this Court. Any creditor holding a claim secured by property that is removed from the protection of the automatic stay by order, surrender, or through operation of the plan will receive no further distribution from the chapter 13 trustee on account of any secured claim. This also applies to creditors who may claim an interest in, or lien on, property that is removed from the protection of the automatic stay by another lienholder or released to another lienholder, unless the Court orders otherwise. Any funds that would have been paid to any such creditor will be distributed according to the remaining terms of the plan. (The preceding language does not apply if the sole reason for its application arises under 11 U.S.C. § 362(c)(3) or (c)(4)). Any creditor affected by this provision may file an itemized proof of claim for any unsecured deficiency within a reasonable time after the removal of the property from the protection of the automatic stay. Secured creditors that will be paid directly by the debtor may send standard payment and escrow notices, payment coupons, or inquiries about insurance, and such action will not be considered a violation of the automatic stay.

2. Long-term or mortgage debt. No default: The debtor is current on obligations to **-NONE-** and will continue regular payments directly to that creditor. Description of collateral:

3. Long term or mortgage debt. Curing default: 11 U.S.C. 1322(b)(3) and/or (5):

OCWEN

The Debtor(s)' plan relies upon loss mitigation or a consensual mortgage loan modification (LM/MM) of the mortgage loan secured by the following property:

304 CREST HAVEN DRIVE COLUMBIA, SC 29229

If LM/MM is approved, the Debtor(s) shall directly pay OCWEN's allowed mortgage claim, including any prepetition and post-petition amounts. No payment will be made by the Trustee on this secured claim.

In the event that (1) the LM/MM request (an any necessary documentation) is not submitted or is denied or (2) the Debtor(s) fail to timely make any required Trial Period Plan Payments, the Mortgage Creditor may, after 14 days' written notice to the Debtor(s), Debtor(s)' Counsel, and the Trustee, submit an affidavit and proposed order seeking relief from the stay. However, the Mortgage Creditor may not obtain relief until its final consideration of LM/MM is concluded and reported to the Debtors(s) and Debtor(s)' Counsel.

The creditor shall apply each payment under this paragraph solely to post-petition obligations that accrue during or after the month specified herein.

5. Other secured debts (allowed claim to be paid in full without valuation or avoidance of lien): The trustee shall pay **-NONE-** the sum of \$ or more per month, along with % interest until the allowed secured claim is paid in full.

6. Surrender of property: The debtor will surrender the following property upon confirmation of the plan. The order confirming plan shall terminate the automatic stay as to that property: Any creditor affected by this provision may file an itemized proof of claim for any unsecured deficiency within a reasonable time after the surrender of the property.

7. Secured tax debt: The trustee shall pay ____ the sum of \$ _ or more per month until the **net balance** of creditors secured claim plus % interest has been paid. If the lien is to be valued, the debtor shall file a separate motion to value the claim and establish priority of any remaining tax obligations. If a tax priority creditor files a claim designated as secured, is not treated as secured in this paragraph, and does not timely object to confirmation of this plan, then the claim may be paid as a priority claim for purposes of distributions from the trustee.

c. Any party entitled to collect child support or alimony under applicable non-bankruptcy law may collect those obligations coming due after this case was filed from the income or assets of the debtor-parent/spouse without further order or relief from the automatic stay. (Any claim for child support or alimony due before this case was filed must be collected in accordance with 11 U.S.C. § 507(a)(1) and 11 U.S.C. § 1322(a)(2).)

2. Other Priority debt. The trustee shall pay all remaining pre-petition 11 U.S.C. § 507 priority claims on a *pro rata* basis.

Claims arising from the rejection of executory contracts or leases shall be general unsecured claims unless otherwise ordered by the Court.
